

REAL-TIME RECOGNITION

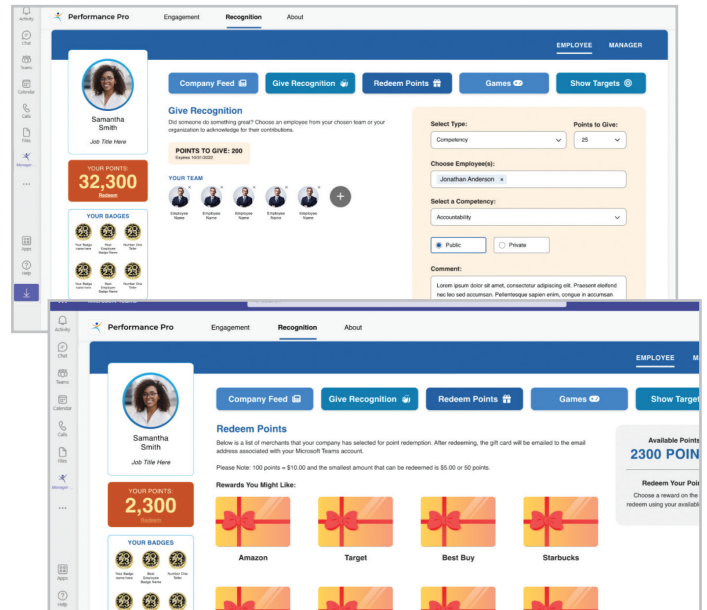

Real-Time Recognition & Rewards to drive excellence in performance and improve employee engagement.

The Performance Pro Teams app for Recognition & Rewards brings the power of recognition to the fingertips of each employee. Leverage this simple tool to introduce rewards for accomplishments, kudos, peer-to-peer feedback, motivation toward targets, inspiring branding and appreciation to the culture of your organization.

Features & Functions

Performance Pro Teams App for Recognition:

- Recognition that is integrated into your performance evaluation process by linking feedback to your specific performance appraisal criteria (core values, competencies, goals)
- Points that are redeemable for gift cards
- Target goals with point rewards by setting targets that employees can work towards for points.
- General kudos for additional employee engagement and peer recognition
- Badge creation for unique kudos that display on employee profiles throughout the Teams app
